# CSR

Annual Report 2025

# Overview

In 2025, Daleel Petroleum continued to demonstrate its commitment to creating shared value by actively supporting a range of Corporate Social Responsibility (CSR) initiatives, programmes, and projects. Through these efforts, the company has made meaningful contributions across diverse sectors, including social services, education, healthcare, safety, NGOs, and public services, reflecting a holistic and inclusive approach to corporate responsibility.

Guided by our core values, Daleel strives not only to deliver business success but also to generate positive, measurable impact for society. This report highlights the company's CSR contributions, outlines the scope and focus of each initiative, and showcases Daleel Petroleum's ongoing role in empowering communities and fostering sustainable development
